MANIPULATOR MATTE & HARD HEAD

Cult Creations Hero Cocktail

For matte texture with super strong hold

1.

Prep your hair with your favourite Bed Head styling product (try **Control Freak** for super frizz control) and blow-dry to create direction.

2.

Apply **Manipulator Matte** to the hair to add hold and create separation.

3.

Finish with **Hard Head** for a strong hold that lasts.

MOTOR MOUTH & MANIPULATOR

Cult Creations Hero Cocktail

For big glossy locks with a pliable texture

1.

Apply **Motor Mouth** to towel dried hair then comb through for an even distribution.

2.

Blow dry with the hands to encourage the natural texture of the hair and create movement.

3.

Apply a small amount of **Manipulator** to the hair to add hold and create separation.

FLEXI HEAD & AFTER PARTY

Cult Creations Hero Cocktail

For smoothed out tresses with a flexible hold

1.

Apply **After Party** to towel dried hair from the mid shaft to the hair ends to help to smooth the cuticle and reduce frizz.

2.

After rough drying the hair, use a large round brush to smooth the cuticle and create movement.

3.

Finish with **Flexi Head** for a long lasting and pliable hold.

BLOW OUT & SMALL TALK

Cult Creations Hero Cocktail

For full fat hair with a golden high shine

1.

Apply **Small Talk** to towel dried hair from roots to the hair ends then comb through for an even distribution.

2.

Then apply **Blow Out** from the mid shaft to the hair ends to help to smooth the cuticle and reduce frizz.

3.

Blow-dry the hair with a diffuser to encourage the natural texture of the hair and create movement.
