STEP 1. Blow out clean hair, spritzing **Bodifying Spray** through the layers to create body and texture.

STEP 2. Comb hair into a centre parting and tie in a pony at the nape of the neck.

STEP 3. Spray hair with **Transforming Dry Shampoo**. Section into a number of pieces and loosely braid each one. Gently pull the braids apart for a lived-in look.

STEP 4. Take one to two braids from underneath and roughly wrap around the root of the pony and pin.

STEP 5. Finish with **Work It Hairspray**.
