STEP 1. Spray **Bodifying Spray** from root to ends and blow dry with the fingers.

STEP 2. Once the product is dry, section off the left side of the hair and start French braiding all the way down. Repeat this step on the right side and fasten with an elastic.

STEP 3. Once the 2 braids are in place, loosely French braid the middle section from the front hairline.

STEP 4. Once the braids are fastened, gently pin the two side braids loosely over the centre braid to create this intertwined effect.

STEP 5. Hold in place with **Work It Hairspray**, finish with **Camera Ready**.
