

# THE SHOREDITCH

CUT BY: ANTHONY

MODEL: JOSH

1. Prepare the hair using **Charge Up Shampoo** from Bed Head For Men.

2. Take a horseshoe section at the high recession.

3. To start the cut establish to graduation guideline along the hairline from the front to the nape.

4A. Continue with diagonal back sections to complete the underneath area on both sides of the head.

4B.

5. Detail the hairline using point cutting at a low elevation.

6. Note the hand and body position and repeat the same technique on the opposite side of the head.

7A. At the top, create a disconnected layering pattern by over directing all the hair to the center, while following the head shape.

7B.

7C.

7D.

7E.

8. Work consistently on both sides of the head until the entire top area is completed.

9A. Before the styling apply **Slick Trick Pomade** to the hair then blow-dry off the face with the hands.

9B.

9C.

10. Detail and remove weight by using deep parallel point cutting.

11. Finish by applying **Slick Trick Pomade** to give shine and direction to the hair.
